O'MALLEY SAYS DODGERS MAY HAVE TO QUIT L.A.

LOS ANGELES (AP) — Walter O'Malley hints his Dodgers may leave Los Angeles if voters turn down his real estate deal for a stadium site in Chavez Ravine.

"We want to stay in Los Angeles but we can't if we have no place to play," O'Malley Thursday told a state assembly committee looking into the city's contract with the Dodger baseball club.

The contract is subject to a referendum in a June 3 election. The deal involves swapping Wrigley Field for city-owned acreage in Chavez Ravine, within a mile of the downtown section.

Being Criticized

The 100,000-seat stadium has come in for criticism because of its short 250-foot left field foul line.

The referendum 'threat' may be the reason for the Dodgers' miserable showing so far this season, O'Malley said.

"The uncertainty about their future worries our players... and has caused a mass stage fright that I feel is back of our slump."

City Councilman Karl Rundberg surprised the hearing by announcing he is sorry he voted in favor of the Dodger land deal. The council approved the contract 10-4 and Rundberg's vote was one of the 10 required for passage.

Rundberg said that he is now convinced the people are against the pact.

BOSTON (AP) — An unprecedented off-season practice has been called by the Boston Celtics Saturday in order to get a look at their two top draft choices, Little All-American Ben Swain from Texas Southern and Jim Smith of Steubenville, Ohio, College.

Red Auerbach, coach of the National Basketball Assn. Eastern Division champions, will hold the workout in Cambridge.

DETROIT (AP) — Plans to boycott the Detroit Tigers game with the Chicago White Sox here June 1 are being readied by a group of 100 who want the Tigers to have a Negro on their roster by then.

The Rev. George Hill Jr. of Detroit, chairman of the Briggs Stadium Boycott Committee, said his group is trying to force the Tigers to sign a Negro.

The Detroit club and the Boston Red Sox are the only two major league clubs which never have used a Negro.

CARACAS, Venezuela (AP) — The United States opens its bid to regain the Davis Cup today with Venezuela furnishing the opposition in the first round of the American zone tennis competition.

Ham Richardson of Washington, D. C., opens the best-of-five series against Venezuela's Iyo Pimentel. Barry Mackay of Dayton, Ohio, then meet Marcos Gambus. They reverse opponents on Sunday after Bill Quillan of Seattle and Mackay meet the two Venezuelans in the doubles Saturday.

INDIANA, Pa. (AP) — Ruth Martin leaves Indiana State Teachers College in June with a diploma and a varsity letter in tennis. She's the first woman athlete in the history of the school to earn a letter — and, incidentally, the last.

Futurely, women won't be permitted to participate in the varsity athletic program. School officials decided women athletes create too much of a problem in travel and dressing room accommodations.

HARRISBURG (AP) — A Chambersburg boxer stood at the top of the Class A single list today in the state Men's Bowling Tournament.

Norman Hatmaker, 27, rolled 734, including a 39-pin-handicap, to assume both gross and net leads in the singles division Thursday night.

He replaced Arthur Weider, Millford, N. J., who had held the lead for nearly a month with a 724 total.

The tournament continues through June 8.

DALLAS (AP) — Mrs. Julia Thompson told police a dognaper has her German shepherd and is asking \$125 ransom. She said three weeks after the dog, Rex, was stolen she received a call demanding \$100. Mrs. Thompson told officers someone left the animal's chain, dog tag and rabies tag at her front door as proof he had the dog.

Later she said, the price went up to \$125 and the caller threatened to kill Rex if the money is not paid.

The dognaper continues through June 8.

Mrs. Richard Little Jr., retiring president, presided and heard routine reports from Mrs. Crouse and Mrs. Keeler. Letters of thanks were read from the Warner Hospital Auxiliary, which the club served in April, and from the Women's Medical College in Philadelphia, for a contribution. The Medical College is the project of the Pennsylvania Federation of Women's Clubs, and the local club is invited to attend a cornerstone laying program there this summer.

Mrs. Donald Feeser, who serves as co-chairman of the Tot-Lot committee, along with Mrs. Little, reported on the most recent progress toward equipping a portion of the community playground suitable for play for pre-school children, stating that the fence has been erected and the following equipment ordered: one swing set, a health ladder, a slide and benches.

Announcement was made that the annual state convention of Women's Clubs will be held June 11, 12 and 13 at the Penn Harris Hotel, Harrisburg, June 11 is being observed as Junior Day. Those members wishing to attend should make reservations with Mrs. Little not later than May 26. It was announced that notices of dues will be sent by the treasurer to delinquent members, and those who have not paid by the June meeting will automatically be dropped from the rolls.

Welcome New Members

Two new members were welcomed into the club on Wednesday, Mrs. Edward Runk and Mrs. Wilbur J. Gobrecht. They were presented with rosebuds by Mrs. Conrad Hull, chairman of the membership committee. Mrs. Harry M. Badders was introduced as a guest of Mrs. Paul F. Boller Jr.

The meeting was then turned over to the cheer committee, Mrs. Wilmer Dutcher, chairman, who introduced Mrs. Marvin F. Breighner, former home economics teacher in the community. The program theme was "Setting Pretty," and Mrs. Breighner spoke concerning the proper use of table settings.

She had table demonstrations arranged for a buffet lunch, sit-down luncheon and a formal dinner.

ZETTEL URGES SPRAY FOR HAY

To the numerous farmers of the county who were prevented by wet weather from spraying alfalfa and clover stands at the normal time, County Agent Frank S. Zettle had one recommendation today: "Spray now."

Pushed by the moisture, alfalfa and clover grew rapidly and alfalfa is now 18 inches to two feet tall. Following an inspection of several stands Thursday the county agent is advising farmers that where the infestation of alfalfa weevil or split-bean weevil is heavy and the crop will not be harvested for hay or silage or used for pasture within the next week it will be best to ignore the damage that will be done by the spraying and spray now.

Tractors and equipment going into the fields with sprays will cause two per cent damage to the crop, Zettle said. He added that the alfalfa weevil can wipe out 90 per cent of a crop within a week to ten days during warm weather.

Heavily Infested

Similarly with split-bean weevil in clover where Zettle said the inspection Thursday showed "very heavy infestation in comparison with past years in most fields."

In both instances the amount of damage caused by the bugs would likely be far in excess of the amount of damage that will be caused by the spraying plus the cost of the residue.

Heptachlor is to be used for both weevil and split-bean weevil, one pint to the acre on the alfalfa and one quart to the acre on the clover. After spraying the crop may not be harvested or used as pasture for ten days because of residue problems.

Six Properties Are Transferred

The following deeds were filed in the office of the register and recorder this morning.

John P. Jr. and Janice H. Cooper, Baltimore, sold to J. Hugo and L. Bernadette Warrenfeltz, Sabillasville, Md., 250 acres in Liberty Twp. for \$6,000.

Oliver C. and Grace E. Cluck, Germany Twp., sold to Russell F. and Helen I. Cluck, Carroll County, 1 acre in Union Twp. for \$200.

Oliver C. and Grace E. Cluck, Germany Twp., sold to Walter C. Miller, Hanover, a property in Union Twp. for \$500.

PHOENIX, Ariz. (AP) — Grasshoppers have taken over Phoenix.

Millions of them are swarming over this normally arid and sparsely populated area, causing a mess underfoot.

Windows and automobile windshields are covered with the pests. At night they obscure headlights and street lamps.

Entomologists blame unusually favorable breeding weather for the insect plague.

Mrs. Walter D. Guss, president of the conference, Newville, spoke briefly and the dinner session concluded with the song "End of a Perfect Day" and missionary benediction.

The morning session was devoted to routine business and reports. The evening vesper service was largely attended. The Rev. David S. Kammerer, pastor of the host church, was liturgist. The Adams County Lutheran Choir, under the direction of L. Robert Snyder, sang several selections and was well received.

"Peace" was the theme of the rally and the Rev. Robert E. VanDeusen, Washington, speaker for the service, addressed the congregation on "The Things That Make For Peace." Clarence L. Schwartz Jr. sang "The Lord's Prayer."

The formal installation was conducted by Dr. George A. Greiss, Allentown, president of the board of directors of the institution after Doctor Myers had been presented by Dr. Norman S. Hold Second Open House At Biglerville: The second annual open house at Biglerville high school was held Friday afternoon and evening with a feature of the program being unveiling of a service flag, and an address by Raymond Mowery, superintendent of the Franklin county schools.

The service flag contains the names of 103 graduates and teachers of the school in the armed forces. It contains stars with the name of a service man beneath each. Only one family has three brothers on the list.

Three sons of Jay Bringman, Biglerville, are in the service: Hugh, Rex and Robert Bringman, all former football stars at the high school.

Local Warning Center Praised By State Office: Gettysburg's "warning center," the undisclosed site where the special telephone box is located through which air raid alarms are received for Adams county and through which the Army runs an average of 8 or 10 test calls daily, received high praise from the State Council of Defense today.

In a communication to Judge W. C. Sheely, chairman of the county council of defense, the state office declared that the Gettysburg warning center operated with 100 per cent efficiency during the month of April, that no incorrect responses were given and that it had never failed to repeat the message.

The state council also said that Gettysburg's average total seconds to complete a call was 22 while the state average is 26.1 seconds.

Dr. and Mrs. Tilberg At Rotary Meeting: Dr. and Mrs. Frederick Tilberg, Gettysburg R. D. left Friday for St. Louis, Missouri, where Doctor Tilberg will represent the local Rotary club at the annual conference of Rotary International.

Today's Talk

PICKLES AND SUGAR

Beginnings are always interesting, especially if they lead to fame or fortune later. I recently read a story about Henry J. Heinz, the great founder of relishes, pickles, etc. He was probably the first to offer to the public sweetened pickles. This is how it happened. As a boy in Boston he was eating pickles at a restaurant and some sugar accidentally spilled on his pickles. Their flavor was so improved that later on, in his great plant at Pittsburgh, he introduced his relish which has done so much to make the Heinz name famous. Thus it was that sweetened pickles became one of the most famous relishes in the world!

Many of our so-called miracle drugs were initial discoveries that scientists and researchers unearthed while working on something else.

That story of how the sweet pickles came about, however, set me to thinking. It seems that the Heinz sweet pickles were not an immediate success. People laughed at his concoction. But Henry Heinz remained undaunted. He took his pickles to the streets of Boston with a pushcart, and his wife with him to give him encouragement. He had a belief in those pickles. They finally blossomed into a great industry, known around the world!

Never be afraid to start something new or out of the ordinary. The great little things always seem to be associated with men and women of vision.

Someone should write a book briefly giving the story of first beginnings. It would be very inspiring to millions of youth. Many years ago there was a club in Miami, Florida, that had its members, each weekend, tell the story of their beginnings.

Tomorrow Mr. Adams will talk on the subject: "The Essay" Protected, 1958, by George Matthew Adams Service

Just Folks

For every man who works there are A dozen who will let him; They'll smile, bark within the shade

The while his duties fret him. And when his arduous tasks are done

From out the idle ranks, There promptly steps a grateful one

To move a vote thanks.

Where more than three foregathered are

In meeting, club or lodge, Some cheerful soul must do the work

That all the others dodge.

Some one for all must toil and plan,

Some one the money banks,

For which the shirkers to a man

Will move a vote of thanks.

Some day, when all the work is done And rest has settled down,

Perhaps the weary toiler then Will wear a golden crown;

Upon his breast may medals flash

And at the Heavenly banks

Perhaps they'll even let him cash Those rising votes of thanks.

Bullets Stun Dickinson Trackmen With 67-59 Win; Apple Gets 3 Firsts, 2nd

Jack Ridinger's Gettysburg College track team pulled a stunning upset here Thursday afternoon by defeating the hitherto undefeated Dickinson College outfit 67-59.

The Bullets recorded their fourth straight victory in dual competition in which they are unbeaten this season. Dickinson's loss was its first after eight straight triumphs.

Jim Apple, Bullet speedster, was the individual high point man for Gettysburg with 18 points. He won the 100 and 220 dashes, the 120 high hurdles and was second in the 220 high hurdles.

Other Bullets gaining first places included: Stan Musser, 220 high hurdles; Jeff Langsam, high jump; Jim Klick, broad jump; Chet Knight, discus, and Dave Hetrick, javelin.

Clean Sweep

Gettysburg made a clean sweep of the shot put in which Dave Yohn and Bart Elifman tied for first place and Ross Lynn took third.

The visiting Red Devils had a double winner in Howie Matt who won the 880-yard run and mile run, while finishing in a first place tie with his team-mate, Jim Bartoli, for first place in the two-mile.

Next Tuesday the Bullets wind up their highly successful campaign with a dual meet with Bucknell at Lewisburg.

Private, Three Pros Reach Second Round

MEMPHIS (W) — An Army private and three pros led the field into the second round of the \$20,000 Memphis Invitational golf tournament today.

On top of a hard pressing pack were Pfc. Mason Rudolph of Fort Chaffee, Ark., Chick Harbert of Northville, Mich., Jim Ferree of Winston-Salem, N. C., and Ernie Vossler of Midland, Tex.

All four slumped through the first 18-holes of the 72-hole medal play tournament with 5-under-par 66s.

The field behind was close packed. Thirty of the 102 starters broke par. Marty Furgol of Lemont, Ill., was alone with a 66, but seven had 67s, six shot 68s and a dozen 69s.

It will be Miss Creed, the blonde from Lamar Tech, vs. Mrs. Maurice Glick, 47-year-old Maryland champion from Baltimore. Mrs. Glick bowed to Miss Creed in the quarterfinals last year but later the Baltimore star beat Miss Creed in the first round of the Western.

The other semifinal sends Polly Riley of Fort Worth, former Curtis Cupper, and five times champion of this tournament, against 28-year-old Georgia state champion.

Erns 2-1 Victory

BALTIMORE (W) — Trainers of Preakness horses paraded to a 2 and 1 victory over Mary Ann Downey of Baltimore, the 1956 champion.

Mrs. Glick, eight times Maryland titlist who has been competing in the Southern since 1949, ousted 22-year-old Janice Phelps of Atlanta, Ga., 6 and 5.

Miss Riley took a 3 and 2 decision over Frances Rich of Bainbridge, Ga.

Mrs. Reynolds came from behind to beat out Sherry Wheeler, the school girl from Glasgow, Ky., 1 up in 19 holes.

Rolls 279 Game In Open Team Event

SYRACUSE, N. Y. (W) — Frank Shelski of Plymouth, Pa., highlighted a day of limited activity in the American Bowling Congress Thursday. He rolled a 279 game, the highest singleton in the open team event since the tournament got underway 48 days ago.

Despite Shelski's contribution, the Caulfield's Appliance & TV team was only able to eke out a 2710, not nearly enough to crack the top ten standings of the open team division.

There have been nine other 279 games in the tournament thus far, but all have occurred in the minor events. Seven higher scores, included a 299 by Dick Haras of Chicago, have also been compiled in the minor events.

Holly Mims, Washington, D. C., middleweight, helped support his family as a newsboy before he turned to boxing.

With a dozen starters, and the Derby mud an excuse for many of the horses, this 82nd Preakness shapes up as one of the most controversial races since Survivor coped the inaugural in 1873. In 1928, Harry Payne Whitney's Survivor defeated 17 rivals—the most ever to start in the Preakness.

To Be Fair, Mild

In addition to Silky, 12th in the Derby geo, Tim Tam and Talent Show, others in the expected line-up were the Main Chance Farm entry of Jewel's Reward and Liberty Ruler, the Sunny Blue Farm's Lincoln Road, the Crabgrass stable's Noureddin, the Liangollen Farm's Gone Fishin', Edward J. Potter Jr. — Pilon, the Powhatan stable's Michon, Mrs. Anna Cannuli's Chance It Tony, and George Lewis' Martins Rullah.

The weatherman predicted fair and mild weather and the presence of the Derby stars plus the lure of come-from-behind Silky

probably will mean one of the biggest Pimlico crowds in years. The track has been fast for several days, but whether any horse can menace Nashua's track and Preakness record of 1:54 3-5 set in 1955 remains to be seen.

The race will get full TV and radio (CBS) treatment on the nationwide network from 4:30-5 p.m. EST.

REDLEGS OPEN 5-GAME STAND WITH BRAVES

By THE ASSOCIATED PRESS

The time has come for those Cincinnati Redlegs to decide whether they are to be contenders in that National League pennant race. They open a four-game series at home against the world champion Milwaukee Braves to night.

The contrasting quartet stepped off a brisk pace for the 53 others in Thursday's opening round of the 72-hole tournament.

Hogan and Musel went at a clip of 65 strokes on the par 70 course.

Snead and Player were only a stroke behind Hogan and Musel and are approaching their 46th year.

Musel is 26, Player 22.

The Redlegs lost 16 of 22 with Milwaukee a year ago and have lost four of five to the champs this season.

BURGLAR FALLS TO HIS DEATH

NEW YORK (AP)—A burglar fell seven floors to death Wednesday night after being surprised in a stripteaser's apartment.

Police believe the burglar, Raymond S. Branch, 30, Harrisburg, Pa., Negro, slipped while inching his way hand-over-hand along a ledge outside the building.

Branch, who had a long police record, entered the apartment of Miss Loretta Roberts, a stripteaser billed as "Pepper Powell."

Miss Powell was playing an engagement in Ohio and her apartment was being occupied by Jay C. Clark, of Long Beach, N.Y., manager of a night club.

Clark told police that Miss Roberts had asked him to stay in the apartment and care for her cat while she was away.

He said he had been out Wednesday evening. When he returned to the apartment, he unlocked the door but found the chain on. He heard sound of scurrying inside the apartment.

A moment later, Clark looked out the stairway window and saw the shadow of a man's legs dangling outside the apartment as he made his way toward the window Clark was watching. Clark called out "I see you," and the burglar, trying to reverse his course, slipped and screamed.

SEVEN BOMBS ROCK BEIRUT

BEIRUT, Lebanon (AP)—Seven bomb explosions shook Beirut during the night but the riot-scarred city was relatively calm today and the government seemed to be regaining control.

No deaths were reported in the bombings, which have occurred nightly since rioting began six days ago in an effort to topple the pro-Western government of President Camille Chamoun.

The United States flew weapons to Lebanon and voiced support for the government.

A general strike, which earlier choked off normal business activity in Beirut, lost momentum. Shops began to open again, even in the riot-ridden Moslem quarter where opposition leader Saad Sami lives.

Although authorities seemed to be gaining the upper hand throughout most of the country, Tripoli and other parts of north Lebanon still were dominated by opponents of Chamoun. In some areas, opposition political leaders were said to be losing control of rioters.

Warriors Upset Waynesboro Trackmen 64-63 In Thrilling Dual Meet To End Campaign

Gettysburg High School's track team pulled a big surprise here Thursday afternoon by edging highly-regarded Waynesboro 64-63 in a dual meet to bring its season to a successful conclusion, victory in the final event — the mile relay — turning the trick.

Tribe For Keeler

The Warriors took eight first places and tied for another with Captain Kenny Keeler grabbing three firsts in the 100-yard dash, 120 high hurdles and 180 low hurdles to be high point man.

Other triumphs for the Warriors came from George Slothour, mile; Joel Riddlemoser, javelin; Bob Nelson, shot-put; Roy Goldsmith, discus, and the mile relay squad of Eddie Nowicki, Sam Long, Harry Wagner and Sid Steinour, all of the relay squad being Seniors.

James Witherow tied with Henicle of the visitors in the pole vault.

Gets Long Hove

Riddlemoser's javelin toss of 159-5½ was a pleasant surprise and was his best performance of the season.

Waynesboro had a double winner in Russ Hopewell who won the high jump and broad jump.

All of the distances races were particularly thrilling, each being won by only a strip or two.

A pair of freshmen events, which did not figure in the team scores, were divided, Waynesboro winning the 880 relay and Gettysburg the mile.

Keeler In District Meet

Coach George Forney has announced that Keeler will be the only Warrior trackman who will participate in the District 3, PIAA meet at Lancaster Saturday.

GOP CANDIDATES PUSH IN FINAL DRIVE FOR VOTES

BRADFORD, Pa. — William S. Livengood Jr., candidate for the Republican gubernatorial nomination, scheduled campaign speeches in McKean, Potter and Tioga counties today after pledging a place in his administration for women and youth.

Speaking at Republican rally in Indiana Thursday, Livengood said:

"Women in the Republican Party long ago earned their right not only to have more say in party councils but also to prove their mettle in state jobs serving the people of Pennsylvania. The same situation exists with respect to younger members of the Republican Party."

Stassen In Pittsburgh

Another candidate for the GOP gubernatorial nomination, Harold J. Vaughan, said in a speech at Beaver Falls that voters would reject all of his opponents for the nomination — Arthur T. McGonigle and Harold Stassen.

McGonigle, the GOP organization-backed candidate, moved his campaign from Norristown to Wilkes-Barre. Later he will tour Sullivan and Lycoming counties.

Stassen called a press conference in Pittsburgh. His schedule called for him to immediately fly back to Philadelphia where he will conduct a street corner campaign until the primary May 20.

Says He's Gaining

In Norristown, McGonigle said a loss of about 40,000 industrial jobs because of plant closings was witnessed during the first two years of the Leader administration, when Democrats controlled the House and Republicans the Senate.

He said industrialists are regaining their confidence in Pennsylvania because the Legislature is controlled by Republicans.

In Philadelphia Stassen expressed confidence by saying that he is "out in front and gaining each day" in his quest for the nomination. He added:

"I am running a campaign which will, when I win, unite the party."

Sheffer, Inc. Organized In August, 1893

During August, 1893, John Henry Sheffer and David M. Frey formed a partnership for the operation of a hay and farming implement business. John Sheffer had one

child, Melvin J., who took over his father's interest in the store at his death, operating with his uncle, David Frey. Dealing with hay was dropped soon after this and more emphasis was placed on farm implements, buggies and fertilizers. In 1912, Melvin Sheffer took over the complete operation.

The first contracts with International Harvester were written about 1916. By 1943 the business employed 10 people. At present there are 34 employees in the Hanover-Littlestown Store combined.

In 1949 an addition to the front of the former structure doubled the floor space to 5,500 sq. ft. The addition included an air-conditioned show room and parts department. New offices were added and the shop was doubled in size. Public rest rooms were installed. The front of the building is of glass and concrete with the pylon style used by dealers of the International Harvester Co.

They handle a complete line of farm equipment and refrigeration.

Each year the farmers of the area are invited to a farmers

meeting for demonstrations of modern equipment, with interesting speakers who will explain, use, and answer any questions.

Over 5,000 repair parts are carried in stock.

The wardrobes will be awarded to two of the persons who register at the store during the anniver-

sary period starting Friday and extending through May 26.

According to a display advertisement, the anniversary program is "a grateful appreciation to our customers and friends."

VFW Prepares For Its First Block Party

Extensive plans and arrangements are now being made by the Gettysburg VFW Post in connection with its first carnival block party to be held at the home May 19 through May 4.

The festivities will get under way with a parade scheduled for the evening of May 19. The parade will leave the post home on E. Middle St. at 7:30 p.m. One of the highlights will be the appearance of the Killie Band of York. Many Legion groups are expected to participate.

There will be many concessions and a variety of rides for the kiddies, including a merry-go-round, ferris wheel, train ride, jet airplanes and car rides. Free acts each evening have been booked.

Proceeds from the carnival will help swell the VFW Community Service Fund which is used each year to sponsor the Big Little League baseball, Soft Ball League and bowling teams.

The membership of the local post is 578, with a social membership of 201. The home is open to the public each day for lunch and dinner.

PULL HARD!

All's fair in a tug of war! At least, that's what the children think. And, as I watch them playing, I realize how relatively simple life is when you're a child. Then, a tug of war is something purely physical. Later, it is more apt to be mental—a matter of personal decision.

Some of the most important moments of our life present us with mental tugs of war. Then, we need a lot more than a rope to hang onto. We need courage and faith, a high sense of moral values, and the ability to distinguish between right and wrong.

These are the kind of things the Church teaches. That is why my children attend church regularly. One day, I know, they will be facing another kind of a tug of war. Their church training will help them make the proper choice.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

GOD'S PEOPLE TESTED

Numbers 12:30-14:13, 18-24

Key Verse: Today, when you hear his voice, do not harden your hearts as in the rebellion on the day of testing in the wilderness. Hebrews 3:7-8.

Moses' task of welding a slave people into a free and religious nation was no easy assignment. The initial steps were all taken at Sinai — the covenant with God ratified, the Ten Commandments given, and a central place of worship established. These events confirmed also the leadership of Moses — a man dedicated to carry out God's will for the Hebrew nation.

But the journey was hard and the people were full of grievances. They tired of manna and when the Lord sent quail, they soon had enough of them. Bickerings, jealousies, complaints — all marked the wilderness trek from Sinai to Kadesh. Moses was patient and consoled and encouraged the laggards as best he could, seeking the help of the Lord in his many difficulties.

Moses had fully intended to enter Canaan from the south but the report of the majority of the spies changed the whole situation and demoralized the people. The purpose of sending spies from the wilderness was to see what the land was like, the nature of the people inhabiting it, and how well it was fortified and protected.

Report Causes Consternation
It was the report of the spies that caused consternation and fear among the people. We recall with shame our own feelings about the Russian Sputniks and fear about which nation would win in the race to control outer space. Canaan was just as unknown a quantity to the Israelites as man-made moons were to us.

All of the twelve spies agreed that the land was good — flowing with milk and honey — but not all agreed on the prospects of capturing it. Caleb, the courageous one, quieted the people before Moses, saying, "Let us go up at once, and occupy it; for we are well able to overcome it." The men who had gone with Caleb, however, did not share his opinion and reported thus: "We are not able to go up against the people; for they are stronger than we." In their evil report of the land they spied out, they continued: "The land through which we have gone, to spy it out, is a land that devours its inhabitants; and all the people we saw in it are men of great stature . . . and we seemed to ourselves like grasshoppers

CLAIMS ORGANS CAN BE MADE TO OBEY SIGNALS

By RENNIE TAYLOR
Associated Press Reporter

RAN FRANCISCO — A Russian medical scientist says the vital organs of human beings can be made to obey visual or sound signals or other communications from the outside.

Glands can be speeded up or slowed down; hearts can be kept from beating too fast under excitement; stomachs and intestines can be given diseases by signals and then can be cured the same way, he asserts.

This concept opens up a great new field in psychosomatic medicine.

In fact, he went on, humans and higher animals probably do all their functioning through a complicated signal system of this kind. If anything goes wrong with it, the result may be mental illness.

Keep System In Order

Under this line of reasoning the formula for healthy existence would be to keep the signal system in good working order and to modify it here and there so it would maintain all the body's processes in balance.

The statements came from Prof. Constantine Bykov, director of the famed Pavlov Institute near Leningrad. He talked Wednesday at a news conference at the American Psychiatric Assn. meeting through two Russian-speaking American physicians, Dr. W. Hoosey Gant of Baltimore and Dr. Iago Galston of New York.

Says Red Missiles Probably Faulty

PORLTAND, Maine (AP) — Soviet inter-continental ballistic missiles are still probably without the necessary guidance systems and re-entry nose cones to make them effective weapons of war, Army Secretary Wilber M. Brucker said Thursday.

Brucker's comments were made at a news conference and a Chamber of Commerce dinner speech. The Soviet Union placed its third satellite in orbit earlier in the day.

The secretary said the United States will have the Soviet Union ringed by operational intermediate range missiles by December.

Mrs. Alice Yohn was in charge of the program on "Review Of Mission Work For The Past Sixteen Years." Eight members of the WSCS of the New Oxford Methodist Church were guests in attendance at the meeting. Potted plants were presented to the oldest guest mother present, Mrs. M. R. Sadler, and the youngest guest mother, Mrs. A. Shorb; also to the oldest mother present, Mrs. Jeannette Weibley, and the youngest member present, Mrs. Esther Harner. An auction was enjoyed with Maude Norton as auctioneer. The guess package, contributed by Mrs. Mellott, was won by Mrs. Barton. Refreshments were served to the group by Mrs. Barton, Mrs. Mellott, Mrs. Randall, Mrs. Sells and Mrs. Jean Harner.

The WSCS will meet again on Tuesday, June 10, at the church will be Mrs. Evelyn Brown, Mrs. Bertha Babylon and Mrs. Nellie Shadie.

ZSA ZSA WOULD SUE SOLON FOR HOUSE ATTACK

WASHINGTON (AP)—Zsa Zsa Gabor says she'll sue Rep. Wayne Hays (D-Ohio) for slander if he repeats outside of Congress his remark that she "apparently is the most expensive courtesan since Madame De Pompadour."

Hays made the remark Wednesday during House debate on the foreign aid bill. He was referring to expensive gifts given Miss Gabor by Lt. Gen. Rafael Trujillo Jr., son of the Dominican Republic's strong man.

Speaking through a public relations firm, Miss Gabor a few hours later challenged Hays "to come out from behind the congressional walls of immunity and repeat his statement about me."

"I will sue him for his slanderous statements," she said. Miss Gabor is here to fill a night club engagement.

There was no immediate comment from Hays.

Get \$500.00 A Month

The 29-year-old Trujillo, who is married and has six children, has given Miss Gabor a \$17,000 chinchilla coat and a car. Trujillo, in this country as a military student, also has given a car to actress Kim Novak.

During the House debate, Hays tried to cut off aid to the Dominican Republic but his amendment was defeated 79-32.

Hays quoted a telegram from the Dominican ambassador as saying young Trujillo is paying his expenses out of a \$50,000 monthly allowance from his father. The ambassador entered his protest against congressional discussion of Trujillo's private affairs.

Noting that the aid bill carries \$600,000 for the Dominican Republic, Hays said that just equals the young general's allowance for a year.

"If he continues fooling around the Zsa Zsa Gabor, who apparently is the most expensive courtesan since Madame De Pompadour, the old man will have to raise the ante," Hays told the House, which greeted his remarks with laughter.

Madame De Pompadour was mistress to King Louis XV of France.

2 ELECTROCUTED IN BUS CRASH

DENISON, Tex. (AP)—A Greyhound bus skidded off a rain-slick highway early Thursday, hit a tree and a power pole and split open. A young mother and her child were electrocuted. Four passengers were injured.

A passenger Irvine Echola of Kansas City, Mo., said the bus driver apparently swerved to miss an auto and plunged off the road. Mrs. Shirley Stith, about 21, of Fort Worth, and her daughter, Melanie Jane, about 1½, were killed. Echola said the baby fell out of a six-foot gap in the side of the bus. When the mother jumped out to get her, he said, they were electrocuted.

Four persons were treated at a hospital in this north Texas city. The bus, with 18 passengers and the driver, was en route from Dallas to Minneapolis.

ONE IS KILLED, THREE ARE HURT IN PLANE CRASH

WHEELING, W. Va. (AP)—A private plane crashed while trying to make an emergency landing at Stifel Field Wednesday night, killing one New Jersey man and injuring three others.

The CAA said flying conditions were perfect as the plane approached a lighted runway, but its engine died near the end of its landing glide. It slammed into a ravine 15 to 25 feet below the level of the runway.

Dayton McMillan, 32, of Boonton, N. J., was dead on arrival at Wheeling Hospital.

The injured:

Donald Kurtz, 32, of Rockaway, N. J., in critical condition with possible internal injuries.

Thomas Houghton, 27, of Franklin Lakes, N. J., possible arm fracture and a scalp laceration.

John A. Doremus, 42, of Mountain Lakes, N. J., pilot and owner of the plane, multiple head cuts. The hospital said all four men were employees of the Aircraft Radio Corp.'s engineering department at Boonton.

REBELS HOLD PART OF SANTA CRUZ PROVINCE

LA PAZ, Bolivia (AP)—Rebels held parts of oil-rich Santa Cruz Province Thursday but the Bolivian government claimed to have headed off a nationwide uprising.

President Hernan Siles Zuazo ordered troops to the eastern province and declared a state of the entire country.

The government said the revolt was led by Santa Cruz leaders of the extreme right-wing Falange and the Communists.

Planned Big Revolt

An official spokesman said their aim was to stir up a nationwide revolt that would interfere with parliamentary elections in June and prevent the return of former President Victor Paz Estenssoro, who has been ambassador to London for two years. He heads the government MNR party, the National Revolutionary Movement.

Recent riots and demonstrations in Santa Cruz have protested Siles' policy of depositing all revenues from the nationalized oil industry in the federal treasury and leaving none for the provincial government.

A government spokesman identified the revolt's leaders as Com-

unist Carlos Valaverde and Fa-

langist Mario Gutierrez. The spokesman added that many high government leaders had been marked for arrest and President Siles was to have been assassinated.

BOY, 12, KILLS HIS TEACHER

LITTLE ROCK, Ark. (AP)—A quiet, polite boy — that was the way almost everyone described 12-year-old Joe Grabher.

"An awful thing" was the way a neighbor described the boy chasing his piano teacher from her

home and plunging a knife into her.

The teacher, Mrs. Kirke Killian, was dead on arrival at a Little Rock hospital Wednesday.

The 64-year-old widow, who had given lessons to Joe for four years, was stabbed 19 times with a hunting knife the boy wore in a scabbard on his belt, Police said.

Police got conflicting stories.

"She got mad and hit me because I made mistakes," Joe said.

Then he said Mrs. Killian had not hit him, and later said he was not sure what had happened.

No one else was in the house.

COMMUNITY IS AROUSED BY TAX SALE OF HOME

HARRISBURG (AP) — Community feeling in nearby Pleasant Hills boiled today over the sale of a young couple's home for a \$10 tax bill.

But the buyer said he would sit tight until the husband recovers from an emergency appendectomy.

Ralph K. Baldwin of Harrisburg admitted an unexpected reaction from yesterday's disclosure that he bought the home occupied by William H. Hornung, 28, his wife and four children for only \$22.58 at an auction almost three years ago.

Unpleasant Phone Calls

"I'm a peaceful man," Baldwin said, "and everybody is making a big issue out of this. I don't know why. I was swamped with unpleasant phone calls all day Thursday, and one man even called me a dirty name."

He insisted, however, that he would wait until Hornung is released from the hospital before discussing any settlement.

The Hornungs' telephone also was busy yesterday. Mrs. Hornung said she received calls from indignant neighbors and "total strangers." Several offers of financial assistance for a legal fight were received, she added.

No Legal Action Yet

Both the Hornungs and Baldwin have brought their attorneys into the matter but no legal action has been taken by either side.

Hornung underwent his operation Wednesday night, a few hours after his household was thrown into turmoil at the news the home, built by Hornung in 1952, had been sold.

Valued At \$13,500

The disclosure was as sudden as a knock at the door, the knock that announced Baldwin's visit to inform the Hornungs that he owned

FAIRFIELD — The annual meeting of the Fairfield Union Cemetery Association was held recently at the Lutheran parish house. Routine business was transacted and officers were elected to serve the coming year include: President, Calvin Bream; vice president, Willis Musselman; secretary, Mrs. Samuel Musselman; board of directors to serve for three years, D. P. Polley and Roy Metz; secretary-treasurer to the board of directors, Frank M. Moore.

The annual Memorial Day services will be held in the Fairfield Union Cemetery on Sunday, May 25, at 2 o'clock. In case of inclement weather the service will be held in the Fairfield Joint High School auditorium.

The annual dinner-meeting of the Fairfield High School Alumni Association will be held Saturday, May 24, in the Fairfield High School auditorium. The dinner will be served by the ladies of the Wesley Chapel Church, Fountaindale.

The Dorcas Guild of Zion Lutheran Church is sponsoring a "Young In Heart" party for members of the congregation who are approximately 65 years of age and over, on Sunday afternoon at 3:30 o'clock in the parish house. Anyone desiring transportation is asked to call Mrs. Samuel Musselman.

their home.

Baldwin said he bought the property quite by chance.

He was in the Dauphin County courthouse in August, 1955, when he said he noticed a crowd and learned a tax sale was in progress.

That's when he bought the six-room frame house for \$22.58, representing the \$10 tax debt plus interest and sale charges.

Hornung said he never knew of the tax debt, which fell due one month after he bought the lot on which he subsequently built his home. Three of his four children have been born since then.

He has valued the house and lot at about \$13,500.

COUNTERFEIT RING BROKEN

WASHINGTON (AP) — A ring that allegedly passed thousands of dollars in fake bills in 14 states has been broken up by the Secret Service.

Secret Service Chief U. E. Baughman announced Wednesday that 13 persons had been arrested and that more arrests were expected. He said the investigation began last November when bogus money appeared in Indianapolis.

Baughman said about \$23,000 in counterfeit \$10, \$20 and \$50 bills have been passed and that Secret Service agents have seized about \$185,000 in fake currency.

The announcement was made after John Wesley Radian, 41, and William Earl Smith, 30, were arrested at the Nashville, Tenn., airport. Baughman said the two men had \$60,000 in phonny money in their possession. The Secret Service chief said there had been 11 previous arrests, starting in Atlanta last December.

Baughman said Radian admitted he made the money near Donelson, Tenn., and that Smith was his principal distributor.
